

EXOTIC

AUTOMATION & SUPPLY

WE ARE BALDWIN.

BALDWIN FILTERS

Baldwin offers an extensive selection of lube, air, fuel, hydraulic, coolant and transmission filters for the trucking, construction, mining, agricultural, marine and mobile power generation. We have the coverage, quality, service and dependability you need. With an in-depth understanding of the mobile engine industry and a relentless focus on innovative filtration technologies, Baldwin has a full range of filters to keep equipment running at peak performance.

SPIN-ON OIL FILTERS

Modern fuel injection systems require fuel be free of both particulate and water contamination. Baldwin spin-on fuel filters keep fuel clean and engines running at maximum efficiency.
