Industrial Hose Products for the Beverage Industry

PURE

Food & Beverage Hose

Simple. Clean. Safe.

PUREBev - 7632

- FDA Compliant Chlorobutyl Inner Tube
- 250 psi Pressure Rating
- Crush-resistant (Monofilament Helix)
- Designed to Convey Beer, Wine, Potable Water and many other food and beverage applications

PUREBev - 7630P

- FDA Compliant Chlorobutyl Inner Tube
- 250 psi Pressure Rating
- Abrasion Resistant, Corrugated, Extremely Flexible PRO Cover
- Designed to Convey Beer, Wine, Potable Water and many other food and beverage applications

PUREBev - 7630PL

- FDA Compliant Chlorobutyl Inner Tube
- 150 psi Pressure Rating
- High Quality, Raised Corrugations, Extremely Flexible PLUS Cover
- Designed for Non-Fatty Food Products Including Beer, Wine and other Consumable Liquids

PURESpirits - 7650P

- FDA Compliant White UHMWPE Inner Tube
- 150 psi Pressure Rating
- High Quality, Low Permeation, Low Friction Cover
- Designed to Convey Alcohol/Spirits (Concentration up to 96%), Beer, Wine and Chemicals

Washdown Solutions for the Beverage Industry

PUREWash - 7680

- White EPDM; FDA Compliant
- 300 psi Pressure Rating

PUREWash - 7685

- Black EPDM
- 1500 psi Pressure Rating

Washdown Nozzles

- High Pressure In-Line
- Standard High Pressure
- Low Pressure Variable Spray
- High Pressure Variable Spray
- Streamline

Washdown Reels

- Hand Crank Hose Reels
- Motorized Hose Reels
- High Pressure Hose Reels
- Stainless Steel Hose Reels
- And more!

Accessories

Fittings

- LIQUIfit Fittings
- PLS Series Fittings
- Sanitary Fittings

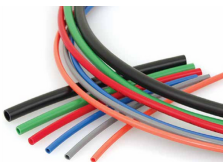

Valves

- G7 Gold Ring Solenoid Valves
- Pneumatic Valves
- Sanitary Valves

Tubing

- Polyurethane
- Polyethylene
- Nylon
- PTFE
- PVC

Filtration

- Compressed Air Filters
- Cold Stabilization Filters
- Gas Sterilization Filters
